

## PUBLIC STATEMENT OF THE DEMOCRATIC PARTY OF QUEENSLAND

April 8, 2022

### Public Policy Objective of the Democratic Party of Queensland to Increase the Speed Limit on Speed Variable Roads

A public policy objective of the Democratic Party of Queensland is to make transport as efficient and effective as possible. We will increase the speed limit to 130km/h on speed variable, three-lane roads during off-peak periods. Heavy and recreational vehicles will remain restricted to current limits. By enabling traffic to move faster and incentivising some road users to travel during off-peak times, we can improve the efficiency and effectiveness of road transport.
